- Tech Used: WordPress | HTML/CSS

Experience

Landa Pressure Washers of RI || Manager

June 2012 - Present

Focus on the sale, service, and maintenance of commercial and industrial cleaning equipment. Manage large inventory including over 100,000 small parts and engage in the assembly of new machines.

GA's Web Development Immersive || Student

July 2017 - October 2017

Actively engaged in more than 500 hours of hands on training over just three months. More importantly through this program, I gained the ability to adapt to and learn any language for whatever the situation may warrant.

Unetixs Vascular || Service Coordinator

June 2015 - October 2016

Coordinated a team of service techs and maintained the service department. Drastically cut down in house time of customer's repairs. Set up brand new repair department and facilitated income of new line purchased by company.

Education

Univeristy of Rhode Island: 2009 - 2014

Major: Kinisiology - Health Fitness

Affiliations

Rhode Coders Club
